one life at a time.

Greetings FRIENDS!

What a year it has been for Provision International – and we give all glory to God! Thanks to His abundant grace, we've been able to serve as a conduit for His provisions, love, and truth in ways we never imagined. Over the last two years, we have shipped more goods and food to those in need than in the previous twenty years combined. This incredible progress is a testament to God's faithfulness, as He has opened doors and orchestrated every step of this journey. We stand in awe of His provision and guidance.

We are humbled and thrilled to witness God's hand moving in countries like El Salvador, Haiti, Panama,

Costa Rica, Uganda, Slovakia, Ukraine, and Native American Reservations across Montana. Through our various mission trips, water well projects, and distributions of food, shoes, clothing, and toys, we have been able to touch thousands of lives. Each effort addresses a unique need, and every moment points people to the only true hope we have, Jesus Christ.

In Uganda, we recently distributed beans and maize seeds and, shortly after, received a heartfelt letter from Pastor Musoke:

Hello Brother Lance,

It's a blessing sharing with you about the Lord's faithfulness and grace that has enabled us to reach out to His people with Gospel of Salvation and also ministering to them by meeting some of their needs whereby you and Provision International have been of great support.

Uganda, being an agricultural country, our village people live on crops they hand-grow but in most cases find themselves with not enough food through the period after harvest, therefore have no seeds to sow in planting season. By God's grace, through the Provision International's support, we were able to give 1,207 families a \$20.00 Seed Support of Maise and Beans. To us and those people, we count it to be a divine blessing. It helps to overcome the habit of mothers feeding their families behind closed doors, having to hide from community children, since there isn't enough food even for their own.

Finally, with a grateful heart, I take this opportunity to thank you, the Provision International Family and all our Treasured friends, for the Love and Support you render to us. This and many other forms of love would not have rendered to our people without your Support. Thank you so much and may The Good Lord continue to bless you all.

PASTOR MUSOKE

While we may not be able to eradicate hunger in Uganda, we remain steadfast in our commitment to ease the burden for as many as possible. Your partnership in this mission has made a world of difference, and together, we will continue to bring hope to those who need it most.

As we approach the holiday season, may you be reminded that your life is a gift, and the most fulfilling way to live it is by offering it as a present to the Lord. Whatever this may look like in your own life, do not hold back; seek Him first, and you will live a life free of regrets.

ON BEHALF OF THE ENTIRE
PROVISION INTERNATIONAL TEAM,
WE WISH YOU A

Merry Christmas!

We are so incredibly grateful for each and every one of you, and we look forward to all that God will do in the coming year.

With gratitude and blessings,

Lance and Miška Lanning
